EHTISHAM YOUNAS

Software QA Engineer

• Rawalpindi, Pakistan • 0331 5653077 • ehtishamyounas70@gmail.com • LinkedIn • GitHub • Portfolio

PROFESSIONAL SUMMARY

Software QA Engineer with 2+ years of hands-on experience in manual and automation testing for Web and Mobile applications. Skilled in test case design, regression testing, API validation, Cypress (JavaScript) automation, and basic performance testing. Experienced in Agile environments with strong defect tracking and cross-team collaboration skills. Tested products across SaaS, AI, Business Listings, Logistics, Healthcare, and Home Services domains, including AI agent-based applications.

CORE SKILLS

- Automation Testing: Cypress, JavaScript
- Manual Testing: Test Case Design, Regression Testing, Smoke Testing, Exploratory Testing
- AI Application Testing: AI Agent Testing, Response Validation, Tool Call & Workflow Testing
- API Testing: Postman
- Performance Testing: JMeter
- Defect Tracking & Project Management: Jira
- Methodologies: Agile, Scrum
- Version Control: Git, GitHub
- Domains: SaaS, AI, E-commerce, Business Listings, Logistics, Healthcare, Home Services

PROFESSIONAL EXPERIENCE

Software Quality Assurance Engineer | Z-Axiss | Islamabad, PK (Hybrid) *July 2024 – September 2026*

Worked on multi-domain SaaS and AI products for Trillo Inc. (San Ramon, CA, USA)

- Performed manual and automation testing for Web and Mobile applications across Business Listings, Logistics, Healthcare, Home Services, and SaaS products
- Automated Business Listings and Logistics applications using Cypress with JavaScript, maintaining the test code in GitHub repositories
- Tested deployed AI agents, validating response accuracy, tool calls, multi-step workflows, and performance
- Designed, executed, and maintained test cases and regression suites
- Conducted API testing using Postman and validated backend workflows and API endpoints
- Performed basic load testing using JMeter
- Logged, tracked, and verified defects in Jira, following up until closure
- Collaborated with developers and product teams in Agile sprints, including planning, standups, and retrospectives

EDUCATION

Bachelor of Science in Software Engineering *October 2025 – Expected October 2029*

Virtual University of Pakistan

Intermediate — Govt. Denny's Higher Secondary School

Matriculation — Govt. Aziz National High School
